Investors should read the prospectus carefully before investing.

CBIS Global Funds plc is authorised by the Central Bank of Ireland pursuant to the European Communities (Undertakings for Investment in Transferable Securities) Regulations, 2011. CBIS Global Funds plc (UCITS) products are available in select countries around the world. All Fund assets are invested in accordance with CBIS' Catholic Responsible Investing Guidelines. The Fund provides daily NAV and daily liquidity. The securities identified and described do not represent all of the securities purchased, sold or recommended for investor accounts. The reader should not assume that an investment in the securities identified was or will be profitable. Comparative indices represent unmanaged or average returns on various financial assets which can be compared to the Fund's total returns for the purpose of measuring relative performance, but are not necessarily intended to parallel the risk or investment approach of your investments; the indices do not incur taxes or expenses but are inclusive of dividends and interest. Comparative index information is provided by third parties; information regarding composition of indexes may be obtained from the provider or CBIS. A prospectus describing the Funds offered by CBIS Global Funds, together with Key Investor Information Documents for the Fund in English, French, Italian and Spanish, are available by calling the Rome Service Center at (39) 06 6601 7218 or on our website at www.cbisonline.com.

The securities identified and described do not represent all of the securities purchased, sold or recommended for investor accounts. The reader should not assume that an investment in the securities identified was or will be profitable. For a complete list of securities offered during the period, please contact CBIS.

There are risks associated with investing, including possible loss of principal.

The fund invests in equity securities, which involve issuer, industry, market and general economic related risks. Additionally, since the fund is focused outside of the United States, US-based investors could be affected by additional volatility as a result of international factors including economic, political and currency risks.

Please read the Fund's prospectus for specific details regarding the Fund's risk profile."

The fund is actively managed and uses the MSCI Europe (EUR) (Gross) (the "Benchmark") for performance comparison purposes and for risk management purposes. While a significant proportion of the fund may be components of and have similar weightings to the Benchmark, the Sub-Investment Manager may use its discretion to invest a significant proportion of the fund in assets which are not included in the Benchmark or with weightings different to that of the Benchmark. There can be no guarantee that the fund will match or exceed the performance of the Benchmark.
