

# FundsAUM Guide

The FundsAUM portal (serviced by Atlantic Fund Services) is designed for an organization’s staff and consultants to view information about their account(s) including, AUM, transactions, statements, etc. The FundsAUM portal is for users who are not the authorized user for the OLA portal, where transactions are made. The FundsAUM portal does not allow you to transact in your account.

This guide will help you complete the FundsAUM form which is required in order to grant staff and consultants access to the portal. The [FundsAUM Designation Form](#) can be found on the [CBIS Funds Transformation Tool Kit](#).

## Intermediary Security Manager Designation Form

INTERMEDIARY NAME (Legal Entity Name):

INTERMEDIARY ADDRESS:

Provide your organization's name and address (also known as Intermediary).

1. Security Manager’s Details (required)
