Please note that historical statements and trade confirmations prior to your opt in for electronic delivery are not available on the OLA Portal.

Statements will be available via the OLA Portal by the second business day of the month if you have selected electronic delivery. Paper statements will be mailed by the fifth business day of the month.

## Registering for Electronic Delivery

1. Once in the portal, select "Menu" on the left-side of the screen

## Electronic Delivery Consent

Instead of receiving paper copies through the mail, you can receive regulatory documents, statements, confirmations, prospectuses, fee letters and account update notifications (other than standardized confirmations) when a notice is mailed to you over the Internet. When you sign up to receive electronic communications, we will send you a small electronic or printed update document on our web site. The e-mail will contain a hyperlink to our site making it easy to access the information. Due to the personal nature of some of the information in distribution statements, you will need to sign and verify your identity when you visit our web site.

Please keep in mind that when you consent to receive electronic distribution reports and/or statements, you will no longer receive paper copies of these documents. You will be able to download and print each document from the web site. We recommend that you keep a hard copy of any statements and reports. Because the Internet is not secure, you may wish to print out web site passwords for your own information, including information on the status of your account.

Please note that you may decide consent to receive copies of disclosure, regulatory documents, statements, confirmations, prospectuses, fee letters and account update notifications and still request paper copies when, in addition, you may decide your consent to receive regulatory documents, statements, confirmations, prospectuses, fee letters and account update notifications via the Internet at any time. If your e-mail address changes, please provide us with your new e-mail address as soon as possible. If you e-mail address proves to be invalid, your e-mail statements will be cancelled and we will mail you printed copies of all required documents.
